J&J Hints at How Google Partnership Will Disrupt Surgical Robotics

MD+DI, 2015-10-15

"J&J is working with Google to make surgical robotic systems smarter, smaller, cheaper, and, ultimately, more accessible. Smarter, smaller, cheaper. In a nutshell, that's Johnson & Johnson's strategy to upend the surgical robotics market..."

Pfizer CEO: Drug-pricing snafu isn't pharma's fault. It's insurers and their poor coverage

FiercePharma, 2015-10-15

"Pfizer CEO Ian Read says he's met the drug-cost enemy, and it isn't pharma. The firestorm over U.S. drug pricing isn't a problem for drugmakers to solve, Read told Forbes in an interview. It's an insurance problem..."

To What Extent Will Medical Devices Replace Doctors?

Qmed, 2015-10-15

"From automated anesthesia systems to apps that promise to detect skin cancer, the use of artificial intelligence for clinical applications is steadily growing by the day, leaving observers to wonder what the role of clinicians will be in the years to come..."

Acute Care Makes Itself at Home

HealthLeaders Media, 2015-10-15

"For patients in need of the level of care and interventions given in an acute care setting, the hospital is often the only option. And while necessary to handle acute exacerbations of illnesses, hospital admissions can lead to the development of a host of other problems for patients..."

Don't repeal the 'Cadillac tax' - modify it

The Hill, 2015-10-15

"Over the past year, I gave several public presentations on the economics of the Affordable Care Act (ACA). During each presentation, I saved a few minutes to explain the "Cadillac tax." The tax is 40 percent of the cost of employer-provided..."

Are You A Patient Or A Healthcare Consumer?

Forbes, 2015-10-15

"What should we call the people who get medical care? Are they "patients," the traditional term for anyone receiving medical attention from physicians, nurses, pharmacists..."
